

# LHPH – Another Alternative

---

*Tuesday, October 24, 2017 (10:00 - 10:45 AM)*

**General Session ♦ Junior Ballroom**

Leasing is an important alternative business model in the competitive environment of today. What are the advantages and disadvantages of LHPH? What regulations apply to LHPH? Where can you find capital to finance a lease portfolio? How do you make these leases compliant? In this workshop a panel of successful lease operators and experts explain how to do it right! Longer terms and lower down payments are not the recipe for success. Learn how leasing can help you avoid these pitfalls.
