

Maximizing Recoveries

Wednesday October 25, 2017 (10:15 – 11:00 AM)

Track One

Junior Ballroom F

Looking for new approaches to reduce bad debt losses? In this session you will learn the benefits of hiring qualified recovery professionals and where to find them. Use the recovery checklist in your workbook as a future reference. Learn how CPI can reduce losses and protect against collision losses. Are bankruptcies a problem for your operation? A leading bankruptcy attorney will explain what you can do. This workshop features industry veterans who will lead an interactive discussion to get your questions answered.
